## REMINDER

### Ocean Grove & District Community Association May Community Forum Ocean Grove into the Future

Just a reminder that the OG&DCA May Community Forum is to be a Community Workshop to determine what we (the Community) sees as the highest priorities to enhance our wonderful town over the next 5 years.

The Community Forum Workshop is to be held **6.30pm Wednesday 14 May 2008 at the Grove Centre (Library)** be about 2 to 3 hours of Community input. We have engaged the services of a Facilitator and there will be refreshments available.

This is not just about capital (construction) projects, but community services, cultural development and the social fabric of Ocean Grove. The May Community Forum Workshop will build on the outcomes of the Bellarine Peninsula Strategic Plan which was undertaken by the City of Greater Geelong some 2 years ago.

It is also not just a 'Visionary' process, but actually developing an **Action Plan** to actually implement the outcomes of the May Community Forum Workshop (i.e. what the community wants and how to go about it).

The only way we can enhance the liveability and sustainability of Ocean Grove is by the community actively participating in the decision making process. This is an ideal opportunity for **you** to have your say and be part of the way forward.

So please register your interest by emailing the OG&DCA at [bhageel@bhaust.com.au](mailto:bhageel@bhaust.com.au) or by ringing (03) 5222 6228.
